Cenntro's Logistar 400 All Electric Commercial Vehicle Completes EPA Tests

Freehold, NJ – October 7, 2022 – Cenntro Electric Group Limited (NASDAQ: CENN) (“Cenntro” or “the Company”), a leading EV technology company with advanced, market-validated electric commercial vehicles, today announced that its All Electric Class 4 Logistar 400 (“LS400”) model has completed its EPA tests, a significant milestone that moves the LS400 closer to registration and customer sales in United States. The All Electric Class 4 LS 400, one of Cenntro’s main products, is purpose built for robust duty cycles of urban and suburban use and can support a wide range of payloads and applications.

“The completion of the LS400’s EPA testing standard is a critical milestone and validates that the LS400 can effectively meet the duty cycles of our target customers providing last mile delivery and vocational services in urban and suburban areas,” said Peter Wang, Cenntro Chairman and CEO. “Completing the EPA range test is a significant step in the homologation process and places us one step closer to delivering the LS400 to customers,” concluded Wang.
